J'ai fais des changements à ce document car quelques équipages ont eu des problèmes avec les autorités Américaines à l'automne 2013. Depuis notre retour en Juin 2011, les règles ont changés et paraîtrait qu'il faut vous rapporter aux autorités à chaque fois que vous vous déplacez avec votre bateau.

J'ai trouvé un programme où l'on peut s'inscrire afin de faire tout ça par internet:

<https://svrs.cbp.dhs.gov>

Pour la Floride, un seul numéro

1-800-432-1216 ou 1-800-451-0393

J'ai quand même inséré tous les Ports d'Entrées de la Floride au cas où!!!

Si personne ne répond, laissez un message sur le répondeur en leur donnant toutes les infos qu'ils veulent et prenez en note, dans votre livre de bord, la date et l'heure que vous avez laissé le message... Si quelqu'un répond, ajoutez à ça le nom (ou le matricule) de la personne à laquelle vous avez parlé.

Plusieurs personnes rencontrées ne se sont jamais rapportées et n'ont jamais eu de problème mais pour nous, se fut une toute autre histoire...

A cette adresse :

http://www.cbp.gov/linkhandler/cgov/travel/pleasure_boats/boats/pleasure_locations/reporting_brochure.ctt/reporting_brochure.pdf

vous retrouverez le petit pamphlet qu'on nous a gentiment remis lors de l'abordage des patrouilleurs à Cape May... Bien entendu, la liste des # de téléphones était absente...

Alors pour vous simplifier la vie, j'ai fais ce petit document... Si vous vous apercevez d'erreur de numéros de téléphone, m'en aviser à: benoit@globe-vogueur.ca afin que je mette le document à jour.

Bon Voyage et Bons Vents !!!

(01/05/2009) **Who Must Report?**

Pleasure boat operators/master have the responsibility for reporting to the nearest U.S. Customs and Border Protection (CBP) facility or other location designated by the Port Director when arriving in any port or place within the U.S. from a foreign port or place (including a hovering vessel) immediately upon their arrival in accordance with 19 CFR 4.2(a).

The master or designee of the boat may go ashore only to report the arrival to CBP either in person or by telephone. No other person may leave or board the boat and no baggage or merchandise may be removed or loaded until the report of arrival is made and release granted by a CBP officer.

Arrivals requiring an in-person report to a CBP officer may be made at one of the following designated areas. The boat must be made available for inspection at a CBP designated area for possible boarding at the time of arrival.

How do I report?

To fulfill this reporting requirement, pleasure boat operators arriving within the jurisdictions covered by the Port of Baltimore, Maryland should report their arrival to:

U.S. Custom & Border Protection
40 South Gay Street
Baltimore, MD 21202
Hours of operation: 8:00AM-6:00 PM
(410) 962-2806

If arrival occurs after normal business hours, boaters must call **1-800-973-2867** to report their arrival. A CBP officer will provide further instructions regarding reporting and entry processing.

Failure to report can result in civil penalties as defined in Title 19, United States Code, Section 1436 to include a penalty of \$5,000 for the first violation and \$10,000 for each subsequent violation with the conveyance subject to seizure and forfeiture. In addition to being liable for a civil penalty, any master who intentionally commits a violation under subsection (a) of the above stated section upon conviction is liable for a fine of not more than \$2,000 or imprisonment for 1 year or both.

All documented or registered vessels 30 feet in length or greater are required to pay an annual processing fee of \$25.00 in U.S. dollars if crossing international borders.

Payment is required for the vessel at or before the time of the first arrival if each calendar year. If you report your arrival in person or by telephone and a fee is applicable, you may charge the fee to your American Express, Discover, Visa or Master Card. A non-transferable decal will be issued upon payment and mailed to your address of record. CBP will not grant a clearance if outstanding fees are due.

Decals may also be purchased via the Internet at the DTOPS Web Site. ([DTOPS](#)) If you purchase your decal through the Mellon Bank, Pittsburg, PA, the CBP user fee administrator will handle your annual decal mailings/reminders at the Mellon Bank. Local Boater Option (LBO) Program

Participants in this program may report their arrival to U.S. Customs and Border Protection (CBP) by calling one of the telephone numbers below. Unless directed by a CBP officer, a participant in this program does not have to report for an in-person inspection.

Visit ([svrs](#)) to apply online for LBO participation and schedule an appointment for an interview at one of the authorized enrollment centers.

Small Vessel Reporting System (SVRS)

In March 2010, U.S. Customs and Border Protection developed the Small Vessel Reporting System (SVRS) for the Florida area of responsibility (AOR). SVRS is a web-based automated on-line reporting system created for LBO participants to expeditiously report their intended arrivals from foreign. In addition, the web-based system will facilitate the enrollment of new applicants for the LBO Program. New applicants will be able to enroll and make an appointment for a face to face interview with a CBP Officer at an authorized reporting location of their choosing. Once participation in the LBO Program is granted by CBP, the participant will receive an email with their Boater Registration (BR) number and password for SVRS. Current LBO participants must apply on-line for a password to access the float plan functions of SVRS.

The program is designed to provide LBO participants an easy to use web-based tool to record and update their intended international travel on a private vessel by filing a float plan.

Float plans consist of biographical information of all persons intending on traveling, vessel registration information and itinerary information. Once a float plan is entered and activated, SVRS will issue a float plan number. The float plan will be vetted by CBP prior to the vessels return to the United States. Upon return to the United States, the LBO participant who filled the float plan will contact the CBP Small Vessel Call Center (SVCC) to make a formal notification of arrival. Persons traveling who are not LBO members must report to their nearest CBP Office for immigration processing within 24- hours of arrival.

To file a float plan in SVRS go to. ([svrs](#))

What telephone number do I call upon arrival into Florida?

The Florida Small Vessel Call Center (SVCC) can be reached at **1-800-432-1216 or 1-800-451-0393**

To make formal notification of arrival on a float plan filed in SVRS call 1-877-330-7327.

What Information Do I Have to Have When I Call?

Vessel masters must have the following information available:

- Name, date of birth and citizenship of all persons on board (including passport number);
- Name of the boat and/or boat registration number;
- CBP user fee decal number (if 30 feet or longer);
- Homeport and current location; and
- Return contact number.

Vessel masters who filed a float plan in SVRS only have to provide the float plan number.

Reporting Locations
